Includes:

- a page to brainstorm ideas
- top down webs to help organize the writing for a simple paragraph, a detailed paragraph, and multi-paragraph writing
- traditional web with spokes for brainstorming / planning writing
- primary and intermediate ruled draft paper (with space for teacher edits)
- primary and intermediate ruled final copy writing paper

4 cOLOR PRintables **13**

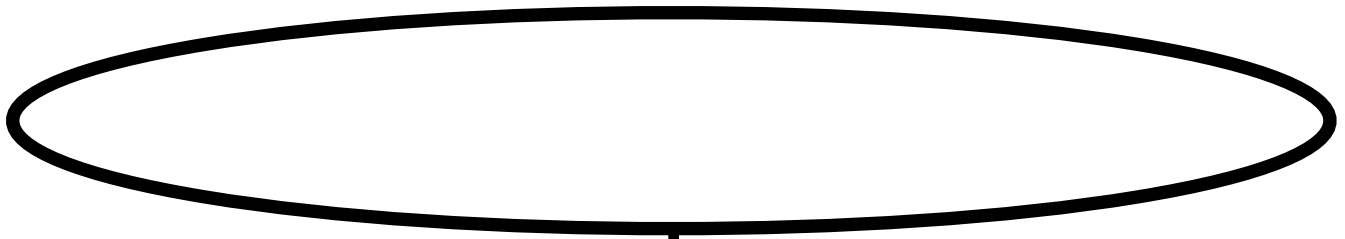

These four color printables were designed to be used as covers for class books or as titles for bulletin boards. I like to display the student work as a bulletin board and then turn it into a class book when I take it down by sliding their writing into page protectors and putting them into a binder with the printable on the cover. At the end of the year, I remove all of the pages and send them home with the authors.
